

WHO IS WHO!?

Who is who and how are they related!? See if you pass this test for how well you know Coral Island Adventures! Unscramble the words in all caps to see who is who and how they are related. Key glossary for help below!

It all began on Setter's Island on the beach of Brooklyn Point! And NRAY _____ Winters and MRTINA _____ Howard are both walking on the beach. They are cousins because Uncle OBB _____ Winters is Ryan's father. His mother's name is USANS _____ and the only time she seems to appear is an upset parent or fainting in the floor when she sees her brother UDANE _____ Howard when she thought he was agent KICD _____.

The Winters Family technically adopted RTINMA _____ Howard. And he and Ryan put up with each other.

Anyway, they like to hang around Mr. NBREA _____ Toy Store with the other children. EBA _____ loves children coming to his toy store and his son is a police officer named: IMJ _____ not he has two children LOLMY _____ and YAMUR _____ Abner. And they love to hang around the toy store too. The son loves inventions and has a laboratory, and AULIER _____ Abner is the IMJ's _____ wife: she doesn't really like a lot of excitement, and is the peace maker.

Now LOLMY _____ likes helping her cousin INANE _____ to pick weeds for a penny per weed and even though she couldn't stop her from running across the road, Grandpa NBREA _____ appears at the scene.

Now there's a scientist who isn't at all related in any way who accidentally hits _____ and his name is Dr. DARB _____ WETROS _____. Now he loves dinosaurs and is a Paleontologist and Geologist. He didn't realize he hit AYJAN's _____ daughter named Annie. Or that Mr. NBREA _____ was the little girl's Grandfather! He finally and shockingly realized that AYJAN _____ was Mr Abner's daughter who was a single parent raising her daughter like he was a single parent raising JIMAE _____.

Now you're probably wondering how NYNJJE _____ and LLENA _____ Adams family comes in. Now LLENA _____ was practically adopted by the Abner families back when they were teens. He's the Adam family's father. You know of the four children that you find facing a lot of heartache! JSOH _____ is the oldest son, then there's resilient preaching spirited young NNEJA _____ with her two little brothers EXAL _____ and NAYD _____. Remember them? They had a kidnap in a castle when their grandfather BERTAL _____ on their mother's side goes to explore an abandoned castle.

You also probably remember the bratty family that is NYNJJE's brother who is divorced and his three children. BRO _____, and the children: RMAK _____, CHELAR _____ and CIALI _____.

All the others you meet along the way like the guy living in the castle all by himself named: ICHEMAL _____ and his wife that left him named LKEYL _____.
